

# LUIS ALBERTO CATALAN IBAÑEZ (WEB DEVELOPER).

## SUMMARY

I am a developer with solid foundations in frontend and backend to be able to begin my development in a company determined to give me an opportunity. I finished my Full Stack Web Development studies at Academlo. Where I acquired the necessary knowledge to be able to develop as a frontend or backend programmer. acquiring knowledge in HTML, CSS, JS, REACTJS, NODEJS, GTI, ETC.

I am characterized by my ability to quickly assimilate new technologies, focused leadership, teamwork and the ability to remain calm under pressure.
